

Our Story

The Oliver family are part of the pioneering history of South Australia.

William and Elizabeth Oliver established the White Hill Estate in the 1840s.

The Estate is currently managed by the 5th & 6th generation family members as we continue to maintain and lovingly restore the heritage buildings on the property for future generations to enjoy.

We have been sharing a heritage for over 170 years.

WEDDINGS
EVENTS
ACCOMMODATION

Weddings

Wedding ceremonies have been held at White Hill as far back as 1877. These days ceremonies are conducted on the rolling lawns, by our spring-fed dam underneath the 170 year old gum trees.

It's our pleasure to share with you the extensive gardens and heritage buildings for your wedding ceremony.

To ensure your day runs smoothly, we can connect you with a range of suppliers including stylists and florists, caterers, celebrants, DJ/entertainment and cakes.

Events

The heritage buildings at White Hill Estate provide a rustic setting for celebrations and gatherings of family and friends.

The Chaff Shed can seat up to 80 guests comfortably and hosts larger groups for cocktail-style events as guests can spill out onto the sweeping lawn and garden areas. White Hill partner with quality caterers to deliver tailored events for our clients.

Our venue and the team at White Hill are both flexible and accommodating allowing your celebrations to reflect your personal style and preferences.

Accommodation

The original Oliver Family homestead accommodates up to 16 guests. A true heritage experience combined with modern conveniences, the homestead is a place to relax and unwind.

The homestead offers 7 double bedrooms, a fully equipped farm kitchen, large dining table, homely living area, heritage library and a wood fire.

The homestead includes full use of the house, a large outdoor entertainment area as well as the surrounding grounds and gardens.
